To the A. N. A. - N. C. W.

Gentlemen:-

I apologize for being so late in reporting our Club activities. Hope to do better next year.

But however our Posters advertising N.C.W. drew quite a bit of publicity and has been a help in advertising Coin Collecting for both Junior and Senior Collectors.

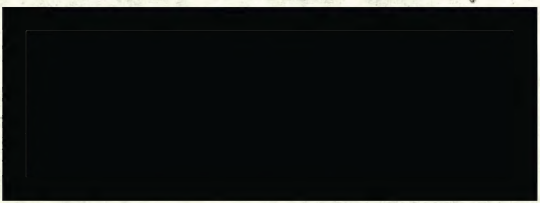

I am getting a group of Junior collectors organized in one of our Tulsa Churches. Hope to get a Junior Coin Club organized. But will need some help from a real collector in order to make good headway.

Hoping this meets with your approval.

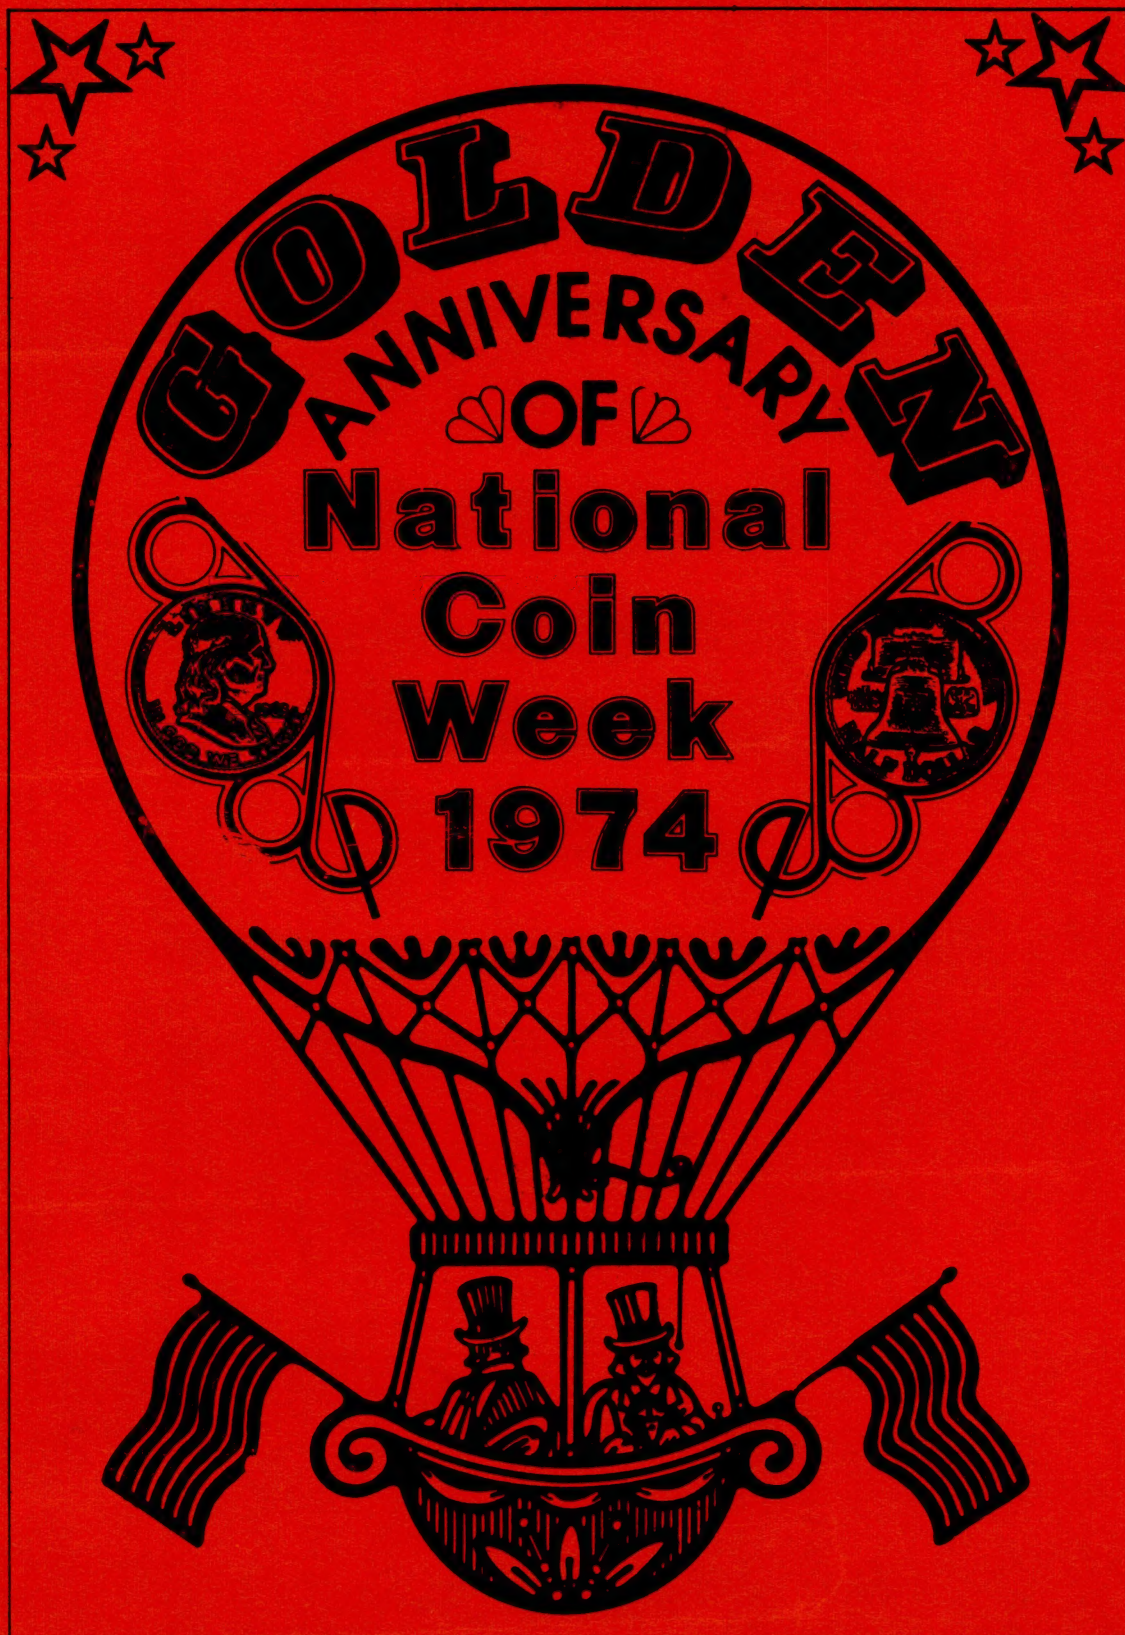

Sincerely

Carl H. Chlosser  
President

Tulsa Coin Club.
